The Celebration of the Beyont Catholic Now Progressing.

The Catholics have been celebrating their holy week with great devoutness at the various churches, and perhaps a few words of explanation may heighten the significance of their devotions.

Holy week is the most important period of the Catholic religion. It is called holy because it is commemorative of Christ's suffering and final death on the cross. On Wednesday evening the churches are darkened (the Toucher), and remain so during the ened [the Tenebrer], and remain so during the week.
